KENTUCKY BOARD OF EDUCATION TO HOLD SPECIAL MEETING

(FRANKFORT, KY.) – The Kentucky Board of Education will hold a special meeting on Friday, July 10 at 1 p.m. ET in the State Board Room on the first floor of the Capital Plaza Tower in Frankfort.

During the meeting, the board will consider Commissioner Terry Holliday's recommendation for state management of the Menifee Co. school district. The district has been under state assistance since December 2014 after a management audit found "a significant lack of efficiency and effectiveness in governance and administration of the school district particularly in the areas of planning, operational support, fiscal management, personnel administration and instructional management."

Also at Friday's meeting, the board will hear an update on the Districts of Innovation and may take action to put Danville Independent on probation as a District of Innovation for not carrying out its approved plan.

The meeting will be webcast; information on how to access the webcast will be available on the Kentucky Department of Education's [homepage](#) the day of the meeting.
